In July 2022, a beloved member of the Central Christian community, Carter Swierenga, passed away. Carter was a young man filled with enthusiasm and joy, and he had a deep passion for theatre. Our goal in starting this camp is twofold: we want to build up and encourage young people in this community, who may be similarly impacted and moved by the richness of storytelling through theatre, and we also wish to honor the memories and legacy left to us by Carter.
