Volunteer Questionnaire

New to You Thrift Store is a non-profit organization owned and operated by Central Minnesota Christian School. We sell both new and donated quality merchandise to defray the cost of tuition at CMCS. Additionally, we partner with non-profit organizations and churches by distributing gift cards for those in need to purchase items from our store. We strive to provide a welcoming, safe, and clean space where everyone can shop with dignity.

We're so grateful! Thank you for your interest in serving alongside us!
