

AFTER GAME PARENT TRANSPORTATION PERMISSION SLIP

In the spirit of student safety, parental choice and wise policy, the Central Minnesota Christian School Board has adopted the following policy regarding students riding school-provided transportation to or from extra-curricular events.

It is the policy of the school that students must ride to and from extra-curricular events in school-provided transportation (bus or school car). If the event involves school-arranged volunteers who drive students to or from the game, then these non-school owned vehicles are covered by the vehicle owner and then by the school policy.

The Board of Central Minnesota Christian School has adopted this policy effective November 12, 2001:

1. Coaches shall be responsible for all team members to/from each game.
2. A student may ride home from the game or event with a parent or with another person designated by the parent as per a parent-signed permission slip.
3. The coach or event sponsor must keep this permission slip on file and one must be made out for each game or event.
4. If a student violates this policy, he/she shall be suspended from the athletic team for one game or from participation in a special event for one time.
5. The parent must provide a signed letter granting permission for the student to ride home with a parent or with another person designated by the parent.
6. A verbal statement that "my kid is coming home with me" is not sufficient. There must be a parent-signed slip for each date.
